

Directions to 955 L'Enfant Plaza, First Floor Conference Room

By Metro

The L'Enfant Plaza Metro Station serves the Blue/Orange/Silver/Green/Yellow lines and has direct indoor access. Transfers from the Red Line can be taken at either Metro Center, Gallery Place/Chinatown, or Fort Totten. Visit Metro for an interactive map.

- Upon exiting your train, follow signs that say “L'Enfant Plaza” The correct exit has a picture of a dog in an astronaut suit with a white background. Do not take the exit that has a waving dog in an astronaut suit with a black background.
- Take the escalators to the top (there will be a Starbucks on your right.)
- Go straight through the glass doors into the food court.
- Take a right at the Roti (if you end up at Five Guys, you went too far). Continue through the food court.
- Continue through the mall following the signage for the 955 North Building. Continue through the food court and when you reach California Tortilla, turn right. Continue down the hall past the nail salon and

barber shop. The elevators are on the right just before the stairs. Take the elevator up one level. The 955 conference room is in the lobby near the guard's desk.

By Foot

The most direct way to our office from the National Mall is to walk south on L'Enfant Plaza from Independence Avenue, directly across the street from the Smithsonian Castle. Walk under the DOE Headquarters building (Forrestal Bldg.), stay on the sidewalk on the left side of the elevated plaza roadway, make your first left, opposite the Spy Museum. 955 L'Enfant Plaza is the first building on your left. The 955 conference room is in the lobby to the right of the guard's desk.

Taxi

- Instruct the driver to the following address: [955 L'Enfant Plaza SW, Washington, D.C. 20024](#).
- Request to be dropped off at the L'Enfant Plaza 1st floor level outside of the 955 building. The new spy museum is in front of 955 L'Enfant Plaza SW.
- Enter the main lobby at 955 through the glass doors. The conference room is located on right near the guard's desk.
